Mrs. Bertha Hill,  
84 Barclay St.,  
Newark, N. J.

Dear Mrs. Hill:

Your letter of April 14th received, in it you asked would I be able to present a Season Pass to the Home games of the Eagles, as one of the presents at your Bridge and Whist Tournament this April 20th.

I am enclosing the order the Pass with this letter in case I am not able to be on hand to present it personally. I am very happy to be able to make this gift to your splendid Club. Please accept my wishes for a very successful affair.

Yours very truly,

EE:CCJ

P. S. I am sorry I have not given the bat to the Gentleman to whom it was promised, but I am really not satisfied with the looks of it. I wish you would stop by the office the first day you are in the neighborhood and see if you can make any suggestions.
